

Autodesk Certification Exam Voucher Terms and Conditions

General Terms

- Each Autodesk certification exam voucher (“Exam Voucher”) expires on the specified expiration date that accompanies the Exam Voucher.
- You must register for and complete the Autodesk certification exam using the Exam Voucher prior to the expiration date provided with the Exam Voucher.
- Exam Voucher expiration dates cannot be extended. You will not receive a credit or be reimbursed for expired Exam Vouchers.
- Exam Vouchers will not be replaced, including without limitation, if they are stolen or lost.
- You are responsible for confirming you are obtaining authentic Exam Vouchers from a distributor authorized by Autodesk. Autodesk is not responsible for counterfeit exam vouchers.
- Exam Voucher is purchased in advance as future payment for a specific Autodesk certification exam registration. Exam Voucher is non-refundable, non-returnable and may not be redeemed for cash, credit or refund.
- You can only redeem an Exam Voucher one time, by one person, for one exam.
- Exam Voucher can only be used for the exam type specified on your Exam Voucher. It is your responsibility to purchase the correct Exam Voucher for the specific certification exam you wish to take. Autodesk can discontinue or change any exam at any time.
- You are responsible for maintaining the safekeeping and security of the Exam Voucher prior to redemption.
- Voucher may not be applied to exams that have already been taken.
- Exam Voucher is void if altered or revised in any way.
- This Exam Voucher may not be resold or transferred other than by an authorized Autodesk distributor.
- Vouchers may not be used by residents or nationals of export restricted countries.

Exam Voucher Currency Restrictions

Exam Vouchers are available in United States dollars (USD \$), European Euro (EUR €) or British Pound (GBP £), depending on the specific country where Exam Vouchers are purchased. Autodesk is not responsible if Exam candidate purchases an Exam Voucher in the wrong currency.

Exam Vouchers purchased in USD can only be used in countries that accept USD vouchers. Exam Vouchers purchased in EUR can only be used in countries that accept EUR vouchers. Exam Vouchers purchased in GBP can only be used in countries that accept GBP vouchers. Please see here for a list of countries accepting Exam Vouchers in each currency.
